Hey Anne

BP 120/80	Height 120/80
HR 110 bpm	Weight 120/80
Skin 110/40	Pelvic 110 bpm

Scheduling

Patient doctor list

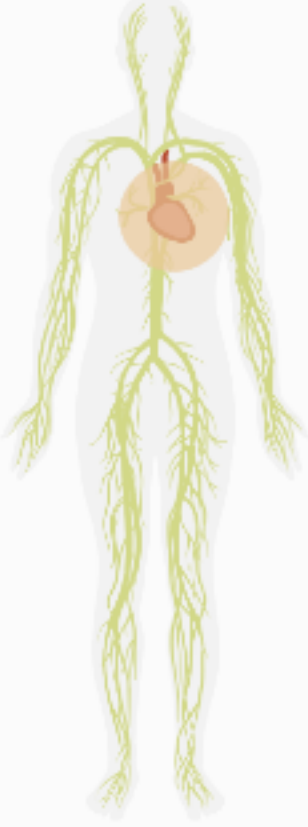

Notes

Your last recorded heart rate measurement was 730 days ago.

It's important to get your heart rate checked to avoid heart disease.

HR
110 bpm

Normal HR is between 40-80 bpm.

Scheduling

Internist: Doctor Shultz
